

Smallbore Benchrest Match

07-12-09

It was a beautiful day to be on the range. Warm, sunny, and almost no wind provided almost perfect shooting conditions. We had six shooters, including IDPA pistol shooter Sy Rostler who was with us for the first time, shoot a total of eight matches this month. Missing were a couple of our regulars --- Gary Kehl and Chris Crawford. Barney Senff, our Unlimited winner, was sporting his new Anschutz BR rifle..... A 472 aggregate for the first time out --- not bad at all!
