\* Denotes leg up score (Please check your card)

We had a beautiful day for our first match, and although it started out a little chilly, it soon warmed up. Only 13 shooters showed up, and no 40's this time, but we still had some pretty good scores turned in. In field pistol, John Maple made the 60 club, while Victor Aume and Carl Skidmore shot leg up scores in PAS-A class. Hopefully next month we'll have the nice weather, and more people to enjoy it.
