Last month it was pouring down rain and we had 14 shooters. This month we had beautiful weather and we still only had 14 shooter's, so it couldn't be the weather to blame for low attendance. I guess we'll have to blame it on vacations this month. There were no 40's this time, but John Maple did manage to make the 60 club again in field pistol. Since this report is very late, I'm not going to spend a lot of time trying to compose this write up. In closing, I want to thank everyone who showed up for the match , and a special thanks to those who helped set up and tear down. See you next month.
