* Denotes leg up score (Please check your card)

Well, the weatherman was right...it was a hot one. The little pop up thunderstorm gave us a temporary break from the heat and humidity, but didn't last long enough to give us any problems. No 40's again this month. Even though we've had shooter's with the capabilities, it seems like there's always a target or two left standing. John Maple made the 60 club again in field pistol, and Isaiah Herron borrowed my IZH and shot a 23 in air pistol. Great shooting guys. It was good to have Mike Rowles shooting with us again and doing pretty well after his shoulder surgery. We also had three new shooter's with us this month. They seemed to have a good time, so hopfully we made them feel welcome, and they'll come back and shoot with us again. Until next time...take care.

Gary
