Description of Steel Challenge

- ☆ Shooter will engage an array of steel targets (various size and distance).
- ☆ This array of targets is called a stage.
- ☆ The shooter gets 5 chances (or runs) at each stage.
- ☆ The slowest run on each stage is discarded. The best 4 runs count for score
- ☆ Targets will be between 7 and 40 yards in distance.

Policy Requirements

All participants are required to fill out a "Youth Steel Challenge Registration and Release from Liability" form. This will ensure compliance with PCSI's safety program.

Blank forms will be available during sign in or download a blank form from PCSI's website and save time. Go to: www.pcsirange.com
